Dear Sir:

**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

In response to the Notice of Non-Compliant Amendment mailed on September 14, 2005, applicant submits herewith the attached two replacement sheets showing Figs. 3-6 which replace the single sheet originally submitted showing those figures. These replacement sheets have each been identified with the label "Replacement Sheet" in the top margin as required by the 37 CFR 1.121(d).

As indicated in the Remarks section of the Amendment filed on September 1, 2005, these replacement sheets are being submitted as required by the Examiner. The original drawings were objected to as not showing the first and second female outlet recited in claims 5 and 10. These corrected drawings show a conventional wall socket in Figs. 3 (at 311) and in Fig.5 (at 370) as described in the specification.

Respectfully submitted,

Charles G. Call, Reg. 20,406
